

Faculty of Science

The History of Autophagy

Tübingen Workshop

14. – 16. 12. 2016

Interfaculty Institute of Cell Biology
Tübingen, Germany

Speakers

Patricia Boya

Centro de Investigaciones Biológicas, CIB-CSIC, Madrid, Spain

Patrice Codogno,

Institut Necker Enfants-Malades, INSERM, CNRS, Université Paris Descartes-Sorbonne, Paris, France

Eeva-Liisa Eskelinen

University of Helsinki, Department of Biosciences, Helsinki, Finland

Erwin Knecht

Principe Felipe Research Centre, Center for Biomedical Research on Rare Diseases, Valencia, Spain

Nicholas Ktistakis

The Babraham Institute, Cambridge, United Kingdom

Alfred Meijer

University of Amsterdam, Academic Medical Centre, Amsterdam, Netherlands

Ulrich Pfeifer

University of Bonn, Bonn, Germany

Tassula Proikas-Cezanne,

Eberhard Karls University Tübingen, International Max Planck Research School "From Molecules to Organisms", Tübingen, Germany

Fulvio Reggiori

University of Groningen, University Medical Center Groningen, Groningen, Netherlands

Anne Simonsen

University of Oslo, Institute of Basic Medical Sciences, Oslo, Norway

Michael Thumm

Georg August University Göttingen, Institute of Cellular Biochemistry, Göttingen, Germany

Sharon Tooze

The Francis Crick Institute, Lincoln's Inn Fields Laboratory, London, United Kingdom

Organizers

Theresia Zuleger, Amelie Johanna Müller,
Zsuzsanna Takacs & Tassula Proikas-Cezanne
Eberhard Karls University Tübingen, GBM Studiengruppe Autophagie

Application

Deadline 31th August 2016

- Application (name, affiliation, abstract or motivation letter) by e-mail to theresia.zuleger@student.uni-tuebingen.de
- **No registration fees.**
- Accommodation and travel: self-responsible.
- Canteen and cafeteria located on campus.
- **Optional catering (beverages/lunch/dinner) available for 50,- EUR per participant.**
- Undergraduate students are encouraged to submit a motivation letter.
- Pre- and post-doctoral scientists are encouraged to submit an abstract.
- **Abstracts will be selected for poster and oral presentation.**

Final programm

Available online <http://autophagie-gbm.de/> from 15th October 2016

Financed by

The Excellence Initiative of the German Federal Ministry of Education and Research and the German Research Foundation (DFG), Institutional Strategy of the University of Tübingen (DFG, ZUK 63); and the Society for Biochemistry and Molecular Biology (Gesellschaft für Biochemie und Molekularbiologie e.V. /GBM).
